This tutorial will show you how to set up test users for testing your in app purchase.

Step one: Log in to <https://itunesconnect.apple.com/>

Step

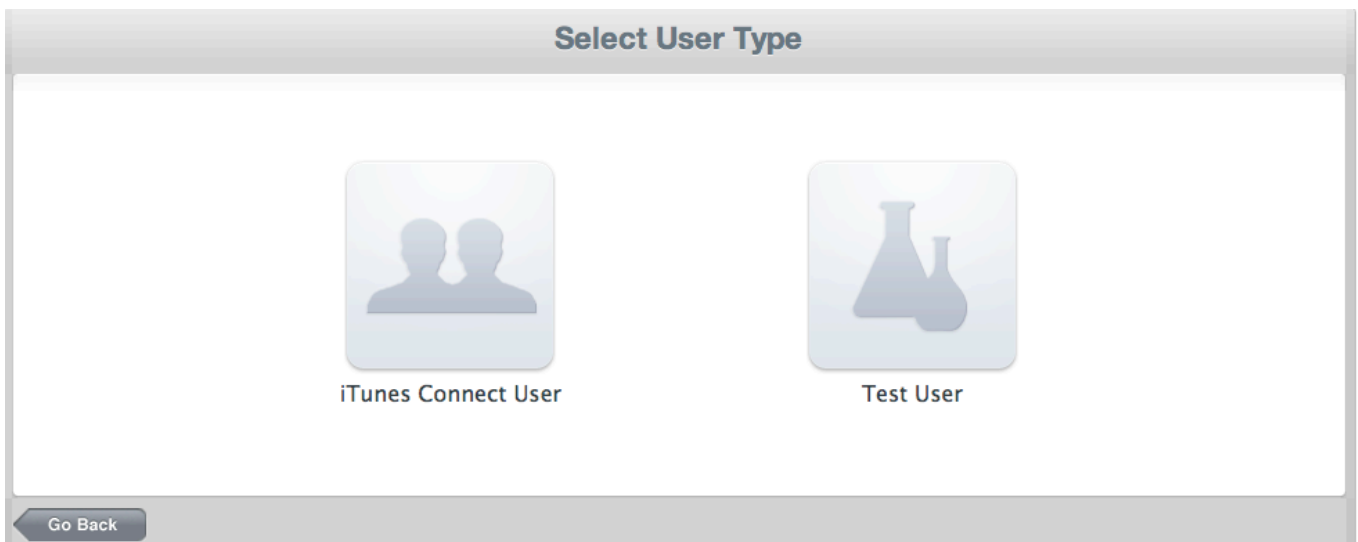

two:

Manage Users

Create and manage both iTunes Connect and In App Purchase Test User accounts.

Step three: Select Test User:

Step four: Add new user:

Step five: fill out information:

Add New User

Fill out the information and click Save.

First Name :

Last Name :

Email Address :

Password :

Confirm Password :

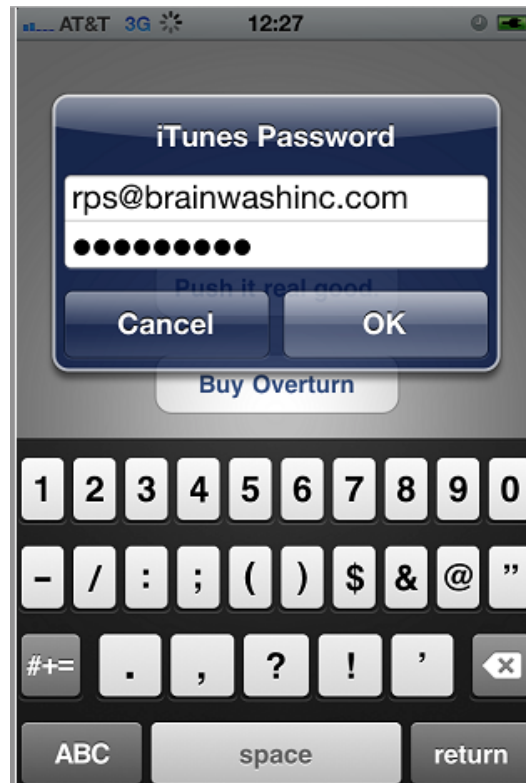

Secret Question :

Secret Answer :

Date of Birth :

Select iTunes Store :

Step six, go on your device, and sign out of your APPLE ID, then launch your app, navigate to the in app purchase screen, purchase it, then it will prompt you to log in, like so:

(Note, this is where you enter the email and password for the TEST user you created from iTunes connect, also note this image was from Google, not from me)

That's it! You have successfully tested your in app purchase!
